Beverage Service

Beverage service is a significant element to your wedding or event celebrations. Hive Caravan Bar offers the perfect mobile bar solution providing a professional, efficient and quality beverage service for you and your guests to enjoy.

Hive Caravan Bar offers a premium beverage service operating throughout the South West. Our highly skilled bar staff and baristas ensure delivery of a seamless service at your event.

Designed with a neutral aesthetic to compliment any venue and featuring cedar framework and bifold windows, the Hive is fully equipped with a service bar, fridges, commercial espresso machine and much more!

What You Will Need to Supply

You will need to supply and deliver your own alcoholic and non-alcoholic beverages for your guests. We are more than happy to assist with providing recommendation of local beers, wines and spirits if you would like.

We also require a beverage cool room if your venue does not already have one on site. We recommend Dunsborough mobile cool rooms who have a range of medium-large cool rooms (www.dunsboroughmobilecoolrooms.com).

Ice is also essential for keeping your drinks cold and to assist with cocktail mixing if you choose this option. We recommend Busselton Ice (www.busseltonice.com.au). Please ensure ice bags are stacked at the bottom of your cool room as they will drip and destroy your beverage packaging.

Hive Caravan Bar requires 2 x 10amp power points to operate. We have extension leads and are able to run our van at a maximum of 50 metres from a power source. Please ensure you check with your venue that this is manageable.

A skip bin or several wheelies bins for empty bottles and rubbish will also be required. Please check with your venue for available options for rubbish collection.

Quantities

When selecting beverages for your event we recommend:

- A selection of 3+ beers/ciders
- A selection of 4+ wines (including sparkling, red and white)
- A selection of soft drinks and/or juices
- Bottled water

We recommend supplying the following beverage amounts:

- 8-10 beers/ciders per guest
 - 1-2 bottles of wine per guest
 - Additional quantities of sparkling for toasts
 - Approximately 20 bags of ice depending on your guest numbers and cool room facilities. Please consider allowing more if your wedding day is during one of the hotter months.

We will also supply complimentary garnishes for all of your cocktail choices.

Glassware

Hive stock a large range of glassware available at your event. Our glassware arrives clean and polished ready for your event. If you require glassware hire, please see prices and options available on page six. If you require our glassware hire service, please make sure that plastic/disposable cups are available for your guests towards the end of the night, to avoid losing your refundable bond if all glasses are not returned by end of service. Please note, any damage or breakage to the glassware will be charged at cost price and taken off your \$150 refundable glassware deposit. (Note: cost price will be determined by the Hive at time of event).

Teas & Coffee

Our van is fitted with a commercial coffee machine and our staff are barista trained. We have Margaret River Roasting Company coffee beans and a selection of teas to serve to your guests. Takeaway cups will be provided by us for tea and coffee only if you choose to include this option.

Responsible Service of Alcohol

Responsible service of alcohol is important to us. Our staff will ensure your guests receive excellent service and reserve the right to cease serving anyone showing signs of intoxication or unruly behaviour. We seek your cooperation where guests at your event display a level of intoxication which has the potential to put our duty of care and staff at risk.

Please nominate one person as a responsible host for your event so that our staff have a point of contact if such cooperation is required. Hive Caravan Bar reserves the right to cease serving alcoholic beverages if they feel there is reason to.
